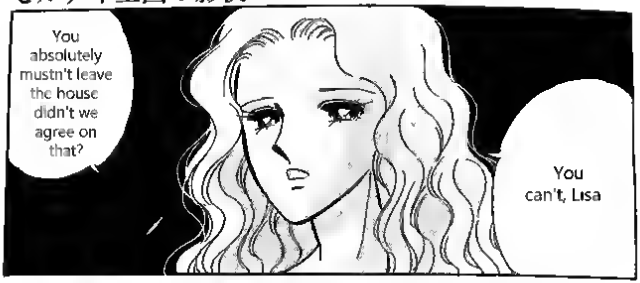
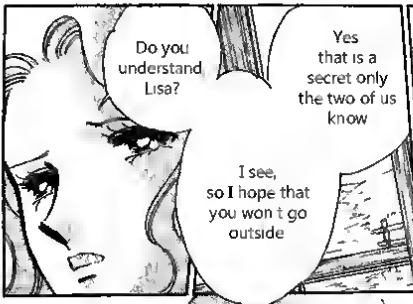
Hey, wait a second!
You can't go outside!
Lisa, you can't!
Mother

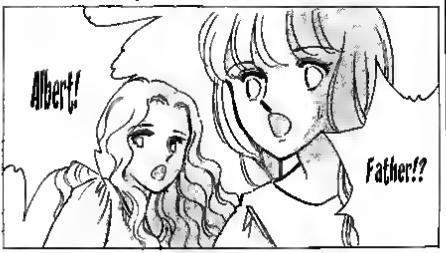




... Yes Mother
... But there are really too many secrets in my family.
I haven't been outside for three years already.
It only takes one look at that miserable expression on Mother's face, and I have no choice but to keep the promise.

时光书南 精明眼 www.jmydm.com

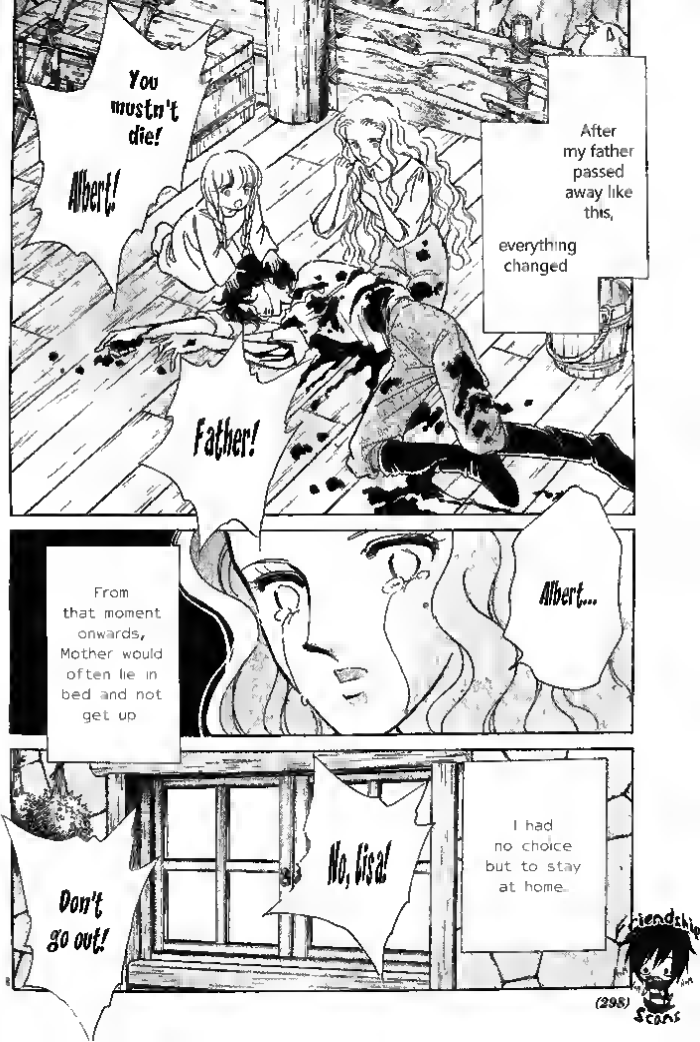
The place where I was born and where I grew up lies on the western end of the Kingdom of Siegerland.
My home is right besides the village Krautz.
When my father was still alive, everybody was really happy.
My strong and clever father
and my beautiful and gentle mother were by my side
None of us suspected these happy days would ever end.



But,

in that pitch black night three years ago,

时光以南 精明鼠 www.grey-fly.com



You mustn't die!
Albert!
After my father passed away like this, everything changed
Father!
Albert...
From that moment onwards, Mother would often lie in bed and not get up
No, Lisa!
Don't go out!
I had no choice but to stay at home.

No, you have to stay at home
Please promise me that you won't leave the house
We are running out of almost everything I have to go I'm only shopping going to the store where I always go so I'll be back right away!
I understand! Mother,
I understand! Quickly lie down!
Cough Cough
Just do as I say
Please, Li-
Mother... Why?
Don't ask any questions for the moment
but looking back now, father was just like I am now, almost never leaving the house.
The me back then was still very young and didn't see,
There are really too many secrets in my family...

Louis!
Thank you so much Louis. you always deliver things for us
Don't mention it, Mrs. Sarah
that's my job it has always been
Can I pay you with cheese? Is this enough?
Yes, it is more than enough
because everybody loves the cheese that Lisa makes!
You are only a cheese expert, anyway
"Only"?
Oh yes because you can cook properly. it seems that you don't need this cheese anymore do you?
Oh, I lied just now it should be you are an expert at cooking!

Every time Louis comes to visit, it s so lively
I m really happy

I want to joint the Knight s League I will live in the centre and protect our Kingdom!
What are you saying!?
Calm down the two of you
They won't let you join!
The Royal Knight s League is the elite League of the King- dom of Sergey!

When you started delivering things for us last year she became so cheerful
Mrs. Sarah
Although she sometimes says things like that, she is always very happy that you come to visit
Louis, please look after Lisa
Oh, no!
Lisa isn't the stew starting to burn?
There you have it!
Please leave it to me!
That's too much!
So,
I take it that Bernadette managed do to it, that is really cute!
Yes, and she even insisted on a pinky swear

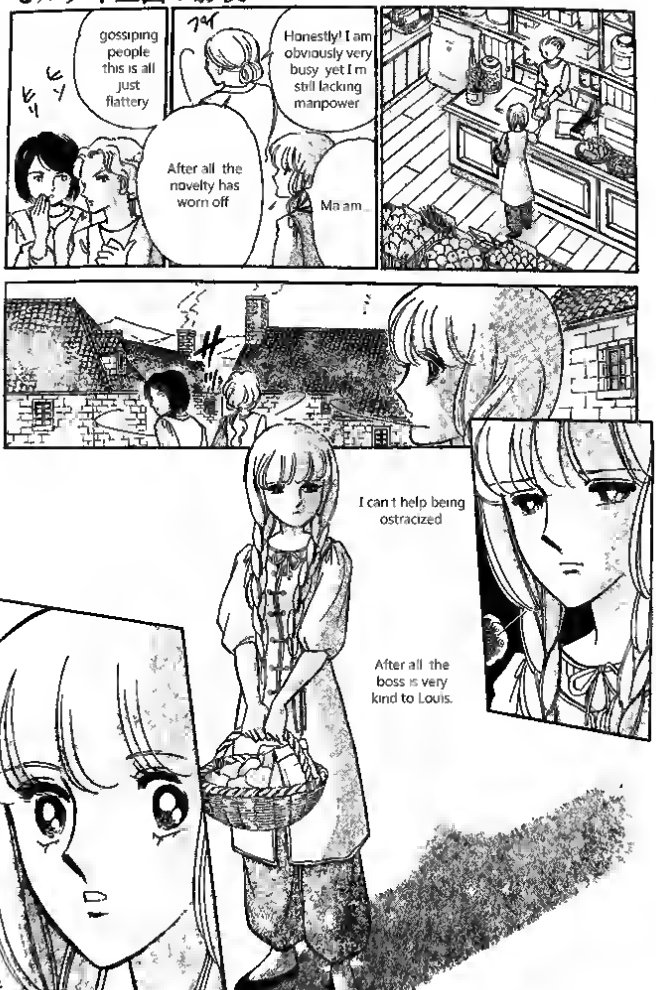
2 years later... Kautz Village
Ah... over here...!
Lisa!
Lisa!
Where are you?

That is unacceptable
But this is unacceptable. you need to try harder
After all you want to cover the work of the dead children as well,
Even though I admire how you frequently take care of your mother and the tomb of the village children.
Has the water in the tomb been cleared?
Then where is the mat? Has today s weaving been completed?
Y-Yes, my lady.
No...That isn t.
Exactly!
It's thanks to the villagers that you can say at the church,
Precisely! It s thanks to our relatives that you can remain here!
I. I know.
There s no mistake.
That day, 2 years ago
Only I survived...

Of course!
It's definitely because her family members are outsiders!
Why is my Cecilia dead while she is still alive?
Why did this happen?
Amy! Amy!
Mother! Louis!
I woke up after 3 days,
5 tomb-stones had already been erected
Before then I didn't know at all
My father and mother were immigrants,
24
Ah, yes!
Lisa
You still have to buy something from the village please hurry
What really happened that day?
Mother and Louis 5 people all dead,
But I can't remember anything



gossiping people this is all just flattery

Honestly! I am obviously very busy yet I'm still lacking manpower
After all the novelty has worn off
Ma'am

Miss are knights that strange?
Yes, it is my first time to see one
Huh?
He should be with Princess Sarah.
Do you know the Number One courageous Knight, Albert, also known as the Black Knight, who's as fast as lightning?
I am looking for a certain person.

but about the names Albert and Sarah,
A- About that although I think it is not very likely.

You mustn't talk to travellers in a place like this

Wait,
I still want to ask this girl a few questions
Oh no your Excellency came to such a remote area, it must have been troublesome
This girl is an orphan adopted by the village, she's always doing things she shouldn't
I'm sorry it was really rude please forgive her!

How is Lisa?
Village Headman Reverend Father

But, a Knight from the Royal Knights' League has come to the village
Ah, although I don t know what a person from the capital comes to the countryside for but if he is interested in Lisa, we have a problem
In short, lock her up for now
and guard her properly
Well,
if Lisa leaves the village we have a problem
We have to think about what's good for the village, too

I really want to know whether the Albert and Sarah the Roya knight spoke of are Mother and Father.
Why is everybody like this?

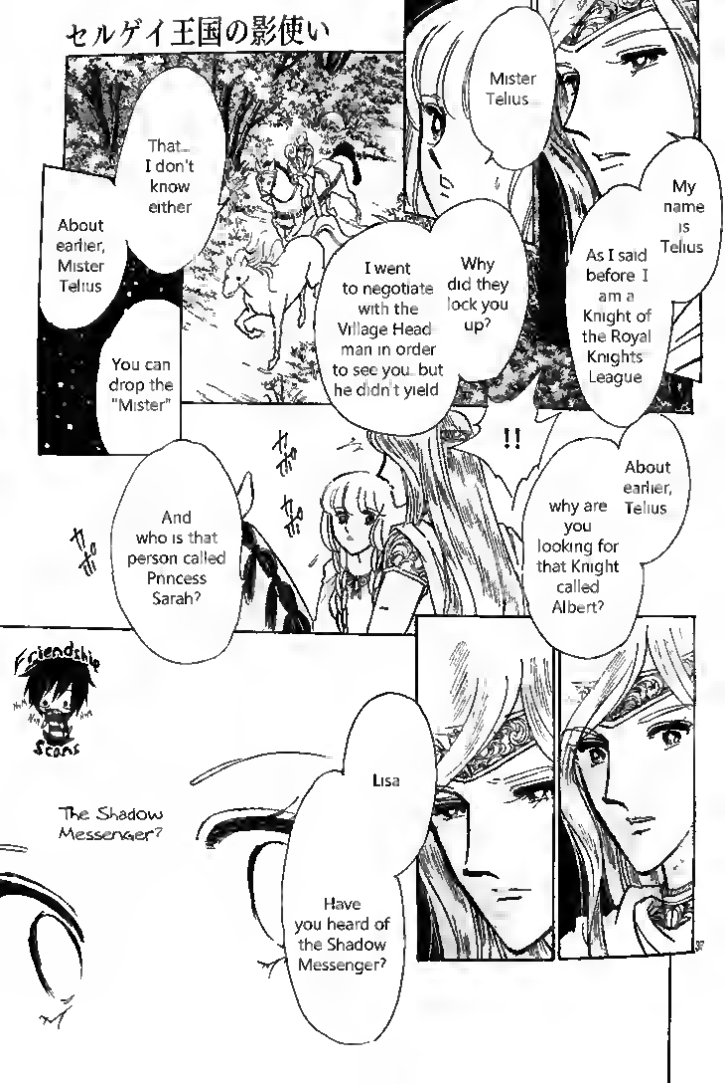
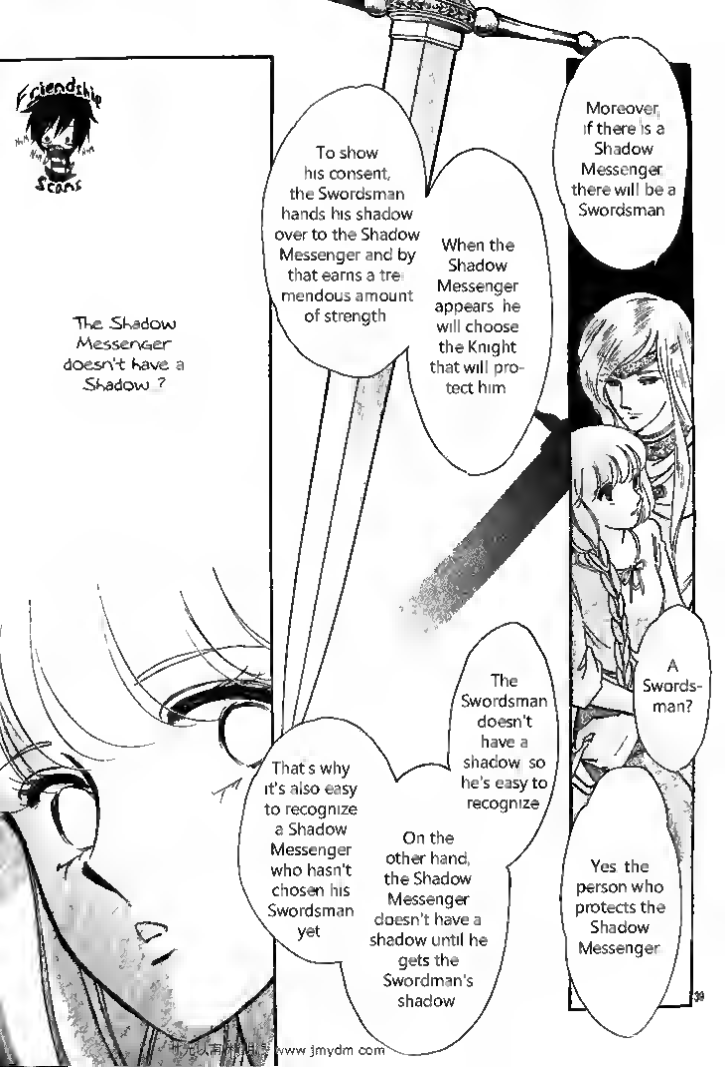
SO IT HAS COME TO THIS, FOR THE FIRST TIME SINCE I WAS BORN
I WILL LEAVE THE KAUTZ VILLAGE.
So you were called Lisa



Mister Telius
My name is Telius
As I said before I am a Knight of the Royal Knights League
Why did they lock you up?
I went to negotiate with the Village Head man in order to see you, but he didn't yield
That... I don't know either
About earlier, Mister Telius
You can drop the "Mister"
!!
About earlier, Telius
why are you looking for that Knight called Albert?
And who is that person called Princess Sarah?
Lisa
Have you heard of the Shadow Messenger?
The Shadow Messenger?
Friendship scans

The Shadow Messenger...
is a great person living in the capital. At least, that's what I have been told
For the country the Shadow Messenger is irreplaceably unique
But only in the history of our country of Sergei, the line of Shadow Messengers has never broken off
The Shadow Messengers have always protected the peace of this beautiful and abundant country
If there's a Shadow Messenger he will protect the country and it will prosper
That's why every country hopes to get one of those extremely rare Shadow Messengers



Friendship scans
The Shadow Messenger doesn't have a Shadow ?
To show his consent, the Swordsman hands his shadow over to the Shadow Messenger and by that earns a tremendous amount of strength
When the Shadow Messenger appears he will choose the Knight that will protect him
Moreover, if there is a Shadow Messenger there will be a Swordsman
A Swordsman?
Yes the person who protects the Shadow Messenger
The Swordsman doesn't have a shadow so he's easy to recognize
That's why it's also easy to recognize a Shadow Messenger who hasn't chosen his Swordsman yet
On the other hand, the Shadow Messenger doesn't have a shadow until he gets the Swordman's shadow
39
www.jmydm.com

Albert and the Swordsman
Their existence is essential for us
In short, the Shadow Messenger chooses his own Swordsman out of the Royal Knights' League
Princess Sarah
Telius, Telius,
It's alright, if it's you, you can become the next Swordsman for sure!
Lisa,
it looks as if you know something
that the Kingdom of Sergei could be so peaceful in a turbulent time such as this
He became the Swordsman of Princess Sarah, the once-in-a-century Shadow Messenger
And by that he increased his power. It is because of Albert's protection
The name of the Swordsman is Albert
He is the Number One Knight of the Kingdom, also called the Black Knight who's as fast as lightning
!!
The current Shadow Messenger of the Kingdom of Siegerland, the Princess of the Sunset Glow, how we call her,
her name is Sarah
Friendship scans

Albert has black hair and eyes of the colour of tea, hasn't he?
Exactly
Although my father's name is Albert and my mother is called Sarah,
but father only lived at home What Swordsman... something like that
But-
But this should be impossible!
That's because he had to keep it a secret that he doesn t have a shadow!
The Swords man Albert doesn t have a shadow!
In order to hide it from other people he couldn't go outside!
It seems as if your parents are exactly the people I have been looking for
Where are they now?

How can that be,

the Knights' League received orders to look for them in the whole country
Telius,
if it was such an important post, why would mother and father leave the capital?
!!

时光书库 精明眼 www.mingyanbook.com

In order to be together, they had to flee the capital
Huh?
Because they fell in love
For the Shadow Messenger and the Swordsman to fall in love that's forbidden
You don't need to wory about your future
Take your time to think about it
There's no need to go back to the Kautz village either
.....
Mother and Father were the Shadow Messenger and the Swordsman.
Even after hearing this, it doesn't feel real

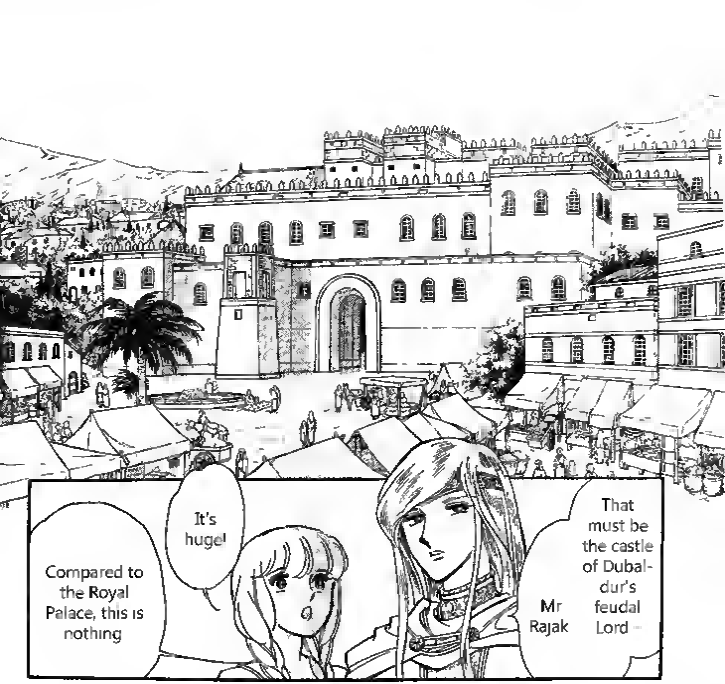
Starting from tomorrow, I have to look for the new Shadow Messenger. It will probably become really busy
The new Shadow Messenger?
Have you heard? The new Shadow Messenger has appeared!
I've heard about it
He appeared on the streets of Dubaldur
and he's under the protection of Mr. Rajak
Messen-ger
If the Shadow Messenger and the Swordsman die,
the next generation's Shadow Messenger should appear somewhere in the Kingdom
Finding him is also part of the Royal Knights' duty
Oh, your Excellency!
This matter,
tell me all about it



That must be the castle of Dubal-dur's feudal Lord – Mr Rajak
It's huge!
Compared to the Royal Palace, this is nothing

I have to confirm the rumors about the Shadow Messenger

I'M A SWORDSMAN...
DOES IT MEAN... THESE ARE THE LEGENDARY TWO SWORDSMEN?
THEY REALLY EXIST?
THAT'S RIDICULOUS!
IF THERE IS ONE SHADOW MESSENGER, THERE IS ONE SWORDSMAN.
THAT'S BEEN THE LAW OF NATURE SINCE THE BEGINNING OF TIME.
THERE HAS NEVER BEEN TWO SWORDSMEN!
THIS SHOULD ONLY BE SOMETHING DERIVED FROM A LEGEND.
BUT...
A LEGEND..?
M- ME..?
